Motivated Wordpress developer with experience in crafting captivating custom user-friendly websites utilizing Elementor web builder on Wordpress, I am actively seeking an opportunity to grow my front-end development expertise within an innovative environment that values creative solutions.

EXPERIENCE

PISTEUOCONSULT.COM

Freelance Web Developer (July 2023)

Contributions:

- Crafted a visually appealing custom website using Elementor web builder on Wordpress and a captivating logo that enhanced the client's brand identity.
- Shared expertise through internal training, improving project quality and efficiency.

PLUMERIASPALACE.COM

Freelance Web Developer (February 2023)

Contributions:

- Developed a custom, user-friendly and responsive website for Plumerias Palace, showcasing their brand and services.
- Incorporated intuitive elements such as event registration forms and interactive galleries, enhancing user experience and encouraging engagement.
- Ensured fast loading times and smooth performance, boosting search engine rankings and attracting more visitors.
- Improved local search rankings, generating qualified leads and inquiries from interested clients.

SMODPRINT.COM

Freelance Web Developer (April - June 2022)

Contributions:

- Utilized in-depth knowledge of WordPress development to customize theme and plugin for the client, tailoring the proposed theme to meet their unique requirements.
- Integrated e-commerce functionality into the website enabling the client to effectively showcase products and facilitate online transactions.
- Collaborated with the marketing team to formulate and execute digital marketing strategies, resulting in increased online visibility and brand awareness for SMOD PRINT.

MTN NIGERIA

Customer Care Representative (November 2015 - May 2017)

Contributions:

- Provided prompt and courteous assistance to customers, addressing their inquiries, concerns, and requests effectively increasing customer satisfactions.
- By implementing customer feedback and suggesting improvements, I contributed to an enhanced overall customer experience as well as great customer retention at my branch.
